

Larym Design Announces the Hiring of Tyrone Thomas as the New Director of Technology

Posted: Nov 20, 2014 6:34 AM PST Updated: Nov 21, 2014 4:06 AM PST

Tyrone Thomas has joined Larym Design as Director of Technology. With more than 20+ years years of industry experience, Thomas will oversee Larym Design technical delivery, lead the development team in new product offerings and creative innovative technology solutions, in addition to other responsibilities.

Las Vegas, Nevada – United States – Friday, November 20, 2014 – Larym Design, a creative branding company in Las Vegas, providing branding, graphic design, WordPress web development services, and more, today announced [Tyrone Thomas](#) joining the executive management team as the position of Director of Technology. With more than 20+ years years of industry experience, Thomas will oversee Larym Design technical delivery, lead the development team in new product offerings and creative industry innovative technology solutions, in addition to other responsibilities.

Eric Love, Co-Founder at Larym Design, said the company is excited about Thomas's decision to join Larym Design as Director of Technology, said Love. "He possesses the unique combination of deep technology experience, intelligence, personality, and entrepreneurship that we need to help deliver [high quality services](#) to our clients. We have worked with Tyrone in the early dot com days at a large venture funded operation. We know his level of commitment, talent, and do whatever it takes mentality is required to grow a successful enterprise."

Prior to joining Larym Design, Tyrone created Verdant Energies, an organization dedicated to creating and promoting renewable energy and sustainable development strategies. Larym Design will support his continuing efforts in this direction.
