

## Best Press Release Service Launched by Larym Design

Posted on June 21, 2016

*Every online marketing strategy should include the use of press and online news releases to leverage brand visibility and visitor traffic.*

LARYM Design is pleased to announce the expansion of its press and news release services. With over 30 local Las Vegas and national clients using their press release writing and distribution services every month, Larym Design is opening its doors to more clients.

A press releases published on leading newspaper, TV station, radio station websites, blogs, and social media sites increase your brand or company visibility and reputation online. These days, most people search for brands online before making buying decisions. Press Releases published online enhance your brand's online reputation by grabbing coveted top search engine ranking spots, This is a very economical, yet powerful tool to accelerate your brand visibility and discoverability which leads to more revenues and profits.

Entrepreneurs and organizations can use press releases to share participation with industry trade shows, new product announcements, strategic partnerships, and personnel changes. In addition, press releases have an added benefit of greatly improving your visibility in search rankings.

LARYM DESIGN gives great attention to ensure that your press releases are included in a wide cross-section of media websites, like leading national news websites, eminent regional news sites, popular local news websites, websites of leading radio stations and TV channels, trade and industry specific news sites, international news websites, online news blogs, and social media.

Founded in 2006, LARYM DESIGN has helped many businesses with branding, graphic design, web development, search engine optimization, and more. The company's mission statement is "to translate brand strategies, online technologies, and marketing strategies into what appeals to information seekers and then turn them into profitable customers for our clients.", says Managing Director, Eric Love.
